"I think many of us were expecting a pretty difficult quarter, but this is much worse than we anticipated."

Despite the dispute over notifications, Kulhawik said that the DOT response to Cape complaints was "very professional."

Kidd is trying mid-season to move the Nets to a more aggressive style of the Thibodeau-style defense that tries to take away drives with an extra defender on the strong side.

That brings the total number of languages to six, with English, French, German, Italian, Mandarin, and Spanish all supported, nearly 30 percent of the world's native speakers.

However, EESA-100 fails to provide any protection during IRI damage.
