the registration regulation recognizes the experience of practicing professionals and that they may have acquired their knowledge and skills through apprenticeship and not formal education

thanks for making this website, and I will be visiting again

it is a specific choice made in a specific context

wrote a letter to the cradle of liberty council saying their discriminatory policies, which do not allow gays to be troop leaders, violate city policy and law

no use esta medicina sin antes hablar con su mco si usted estmamantando a un beb

the lesson they learnt was twofold: (a) if you're going to the front door wear suits and don't shout and (b) better still, go round the back, sneak in and take what you want
