

## 2019 Mullineux Old Vines White

Varietals: 74% Chenin Blanc, 8% Clairette Blanche, 6% Grenache Blanc,  
7% Viognier, 2% Semillon Gris, 2% Viura, 1% Verdelho  
Bottling Date: 29th October 2019  
Production: 31 200 bottles / 2 600 cases and 157 magnums  
Wine of Origin: Swartland

### Technical Details at Bottling:

Alcohol 14 % - RS 1.9 g/l - TA 5.7 g/l - pH 3.40

### Source of Grapes:

*From 7 sustainably farmed vineyard parcels in different parts of the Swartland: one parcel of 41 year-old Chenin and a parcel of 11 year old Grenache Blanc on the stony Schist based soils of the Kasteelberg; two parcels of 40-65 year-old dry land bush vine Chenin, one parcel of 44 year old Clairette Blanche and a 60 year old heritage Semillon Gris vineyard grown on the decomposed Granite of the Paardeberg; and a parcel of 21 year-old Viognier on the iron-rich soils of the rolling hills west of Malmesbury.*

### Date(s) Harvested:

*Grapes were harvested between the 26th January and 13th February 2019.*

### Yields:

*Between 4 to 6 tons/ha = 24 to 33 HL/ha.*

### Winemaking:

*As each parcel is harvested the grapes are chilled in our cold room. The grapes are then pressed whole-bunch and the juice is allowed to settle overnight. Minimal SO<sub>2</sub> is added and, as with all our wines, no other additions are made. The juice is then racked to barrel for fermentation. Fermentation is with indigenous yeasts and lasts up to 8 weeks. The wine is left without additional sulphur on its lees until spring. During this time the wine finished malolactic fermentation. The barrels are racked and blended just before the following vintage and bottled unfiltered.*

### Maturation:

*9 months in 3rd and 4th fill French oak 500L barrels and one new 2000L Foudre*

### Tasting Note:

*This fragrant wine has the characteristic floral nose with notes of orange blossom, apricots, mandarins and cardamom. The richly textured palate is balanced by a fresh, vibrant, acidity and flavours reminiscent of peach, grapefruit and hints of spice. Best served at 10 to 12 °C, this wine will show optimally when decanted in the first 3 years after bottling.*
